This conference will kick start the conversation in the year ahead about reforming the annexation laws.

The conference has an exceptional line up of speakers and presenters on numerous aspects and views on the NC Annexation Laws and how to reform them. The setting will be the beautiful new Hampton Inn & Suites in Raleigh @ the Brier Creek Complex. Come and learn from some of the State's best scholars on the subject, meet and connect with others of like mind, and get ready to for the upcoming legislative session where annexation law reform is likely to be brought back up for continued discussion.
